Apply by CV and a covering letter to Glyn Chapman - General Manager | Western Car Radio, 111-115 St George, Bristol, BS1 5UW Directed Electronics Area Sales Manager - South West

Directed Electronics is the largest designer and marketer of vehicle security and convenience systems in the USA, with a leading position in the UK and an ever-increasing presence in Europe.

With brands including Clifford, Viper, Hornet, Orion and Polk Audio and 20 years experience the company holds more patents than any other manufacturer. Directed key business is Security but we also have a growing presence in the Car Audio and Mobile Video markets. The company supplies the 'aftermarket' through a network of dealers and specialist retailers in the UK & Ireland and via distributors in Europe.

We are looking for an experienced Vehicles Security, Audio & video sales professional to join our team. Must have a minimum of 2 years experience in account management and development from within the Vehicle Security / Audio market along with the desire to 'Make it Happen', strong communication skills, and a great team player are also must have attributes.

This position includes a competitive basic wage and great commission structure along with a substantial benefits package.

Send your CV's to: Keith Belch - National Sales Manager | Unit C Longmead Business Centre, Blenheim Road, Epsom, Surrey, KT19 9QQ or Email keith.belch@directed.com Alcosense Press Officer £Competitive

AlcoSense, the leading UK manufacturer of consumer morning after breathalysers is expanding and has the following new position available in their Berkshire head office:

You will liaise with the press to arrange product tests, articles. You will have responsibility for the planning and implementation of our PR strategy. You must have at least 5 years experience in PR, ideally with some time spent working for an agency and some experience in house. You must be proactive and a self-starter.

Applications to; Hunter Abbott, Now Group UK Ltd, Unit 3, Maidenhead Enterprise Centre, Off Cordwallis Street, Maidenhead, Berkshire, SL6 7BE. Or email hunter@nowgroupuk.com Web: www.alcosense.co.uk **INSTALLER JOB** Toad Installation Engineers

Required Our client is recruiting experienced mobile engineers to install equipment into public transport and emergency service vehicles. Ideally, you will have worked on fire engines or buses. Experience working with tetra based equipment or CCTV systems would be an advantage but not necessary, training will be provided.

A flexible approach towards travelling and overnight stays is required as the installation sites are spread nationally. There is also a requirement to work Saturdays and Sundays by arrangement so again, a flexible approach to this would be required. Ideally, you will be free to start work early/mid July and our client would consider contracting with you for a fixed period if you are currently self-employed and looking for a fixed term of guaranteed work.

Please email a CV or resume providing details of experience and an indication of availability and expected salary. Our

client is looking for quality-experienced engineers with over 5 years engineering experience. Contact: 0870 444 3531 or emilia@creativemedialtd.co.uk  
Toad Installation Opportunity Do you have some spare installation capacity?
